Three Springs Fire in Moffat County

Craig, Colo. – The Three Springs Fire was reported to the Craig Interagency Dispatch Center last night around 7 p.m. The lightning caused wildland fire is on private land four miles north of Highway 40 and nine miles west of Elk Springs. It is reported to be 28 and one tenth acres. The fire is burning in grass with some pinion and juniper trees.

Mobilized to the incident were two Artesia Fire Protection District engines, one National Park Service engine, one Bureau of Land Management engine and fire management officers from Moffat County, NPS and BLM.

Crews fought the fire late into the evening. They resumed building fire line this morning joined by a four-person BLM hand crew.

No structures are directly threatened and no injuries have been reported.
